Pastor Benny Hinn –Healing evangelist, teacher, and author.

Now in his 40th year of worldwide ministry, Pastor Benny Hinn has preached the Gospel face to face and through television to more than a billion people. Through miracle services, conferences, TV broadcasts, the Internet, printed page, and audio-video recordings, this evangelist's straightforward, uncompromising message of God's love has inspired hundreds of millions to a personal relationship with the Lord Jesus Christ.

Today, Pastor Benny continues to take the message of God's life-saving and miracle-working power of the Gospel around the globe. Memorable crusades have included audiences of up to 7.3 million (in three services) in India, the largest healing service in recorded history!

During recent years, he has been welcomed during his travels by kings, prime ministers, and heads of state, yet his message of the Gospel of Jesus Christ continues to be fervent, motivating him to "go ye into all the world, and preach the gospel to every creature" (Mark 16:15).

## Pastor Martin Njamba

Martin Njamba was born in Zambia. In 1995 as a student in Czech Rep. he surrendered his life to the Lord Jesus Christ. He began his Ministry on the main railway station in Prague with the homeless and the oppressed. In the midst of darkness, his message is always a message of hope and faith in God. Many receive miracles and healings, deaf ears are opened, those with cancer, heart and breathing problems are healed. . . many give testimonies of immediately healing or relief in their bodies.
